## Special Features

**Converts in Seconds** – No tools are necessary to convert the Quad Lifter to one of the different lifting configurations.

**Reduced Down Time** – Quad Lifter does the work of 4 machines, reducing time on the job site by 1/3. One machine can lift man and material.

**Lower Transport Costs** – Ship one Quad Lifter on one truck. Quad Lifter and its attachments are light enough to fit on one truck as a legal load.
